Congratulations everyone,

On behalf of the Vauxhall Academy of Baseball we would like to congratulate your club on your outstanding accomplishments in 2006. It is never easy to win a league title let alone a Provincial Championship, Prairie Championship and a fourth place finish in the Canadian Little League Championships. I understand you guys had to come through the "B" side of the draw to win the Prairie Championship which is a tremendous achievement. The sign of a true winner is how a player deals with adversity when their back is against the wall. You guys proved yourselves, your coaches, parents, and the community of Saskatoon that you are true "winners."

At the Vauxhall Baseball Academy we pride ourselves on recruiting successful athletes both on and off the field of play. We put a lot of emphasis into academics in term "student-athlete." Currently, 80% of our roster is an honors student. As you move forward in the career realize that to have a future in baseball, academics will always play a big role.

On behalf of the entire community of Vauxhall, coaching staff, student-athletes, and our Board of Directors I would to wish you all the success in the future. You are welcome to visit the Academy at anytime and I hope you have a few of you in a Jets uniform in the future.

Again great job and good luck in 2007!

Sincerely,

Les McTavish
